

PAYROLL DATA TRANSMISSION

We are pleased to introduce an electronic means to transfer payroll data. This secure and protected site will allow you to have access to share sensitive documents.

THE PLAN . . .

You will be able to sign in to the website with your own sign-in name and password; download month-end payroll and/or upload sensitive payroll information.

THE BENEFITS . . .

- Month-end deadlines could be moved closer to pay day, i.e. 5th last working day
- Payroll info could be delivered in a timely manner
- Errors could be corrected before final month-end processing
- Payroll participants would download all payroll data in one “pdf” file
- Those files would be printed and pay slips distributed as desired
