

CLERGY RESIDENCE DEDUCTION

- You have to complete this form to claim the clergy residence deduction. You complete Part A and Part C, and your employer completes Part B. If you have more than one employer in the year, each employer has to complete a separate Part B. In this situation, you must complete only one Part C calculation by combining the income from all eligible employers.
- You do not have to file this form with your return. However, you have to keep it in case we ask to see it.
- For more information, see Interpretation Bulletin IT-141, Clergy Residence Deduction.
